

PRODUCT DESCRIPTION

The Prism Carnelian is an MR11 LED lamp that casts warm or cool white light. It replaces up to a 20W incandescent bulb, and brings out the natural colors in its environment.

- Save up to 80% in energy costs.
- 3-year warranty.
- 35,000 to 47,000 more lifetime hours than fluorescent and incandescent bulbs.
- Easy installation with a Gu4.0 base, such as for spot and task lighting.
- No mercury, lead, or harmful gases.
- Custom manufactured for your color temperature, beam spread, and brightness needs.
- Suitable for commercial and residential lighting.
- Optical glass lens creates an even distribution and high luminosity.
- Instant-on LED lighting without delay in brightness.
- Used for decorations, novelty lamps, fountains, display cases, track lighting and landscape lighting.
- UL listed and approved by CE.
